Campbell's "Art Outside The Box" – Phase III (2017)

The City of Campbell is seeking sponsors and donations to support the work of local artists participating in Campbell's **Art Outside the Box** program, Phase III in 2017. The program is designed to transform common traffic control utility boxes into distinctive works of art that will beautify our streets, while acting as a deterrent to graffiti. All utility box art will be created according to the guidelines established in the Artist's Guidelines & Requirements.
